What is a Sustaining Member?

A committed individual who understands that the Harris County Democratic Party needs a healthy financial base from which to operate. Sustaining contributors make the day-to-day operations of our local Party possible.

Harris County is the 3rd largest county in the Nation (1788 square miles), and many dollars are required to fund our local Democratic Party.

HCDP represents all Democrats to the press and the public. It maintains a database of Democratic voters and activists. It runs the primary elections – a huge undertaking in a county with over 4 million people. It encourages and assists our Democratic candidates for office. It disseminates information to our voters and encourages grassroots activities. In short, it conducts the official business of our Democratic Party here in Harris County. Please be generous.
